## END-USER LICENSE AGREEMENT (EULA)

This end user license agreement (the “Agreement”) is entered into between you (the “Licensee”), who has purchased a license to use one or more sound effect libraries or bundles through the creator, or creators, of these sound effect libraries (the “Licensor”).

This Agreement covers license(s) to the sound libraries purchased by Licensee from Licensor via the Payhip platform (the “Sound Libraries”).

The Licensor is the creator or creators of the Sound Libraries stated as such on the Distributor’s website and listed on the invoice which Licensee receives following the purchase.

By purchasing a license, Licensee is deemed to have accepted this Agreement and Licensee agrees to be bound by the terms and conditions set out herein.

### 1. Grant of License

In consideration for the purchase of the license(s) to the Sound Libraries, Licensor grants Licensee a worldwide, non-exclusive, perpetual, royalty-free license(s) to use the sounds in the Sound Libraries (“Sounds”) pursuant to the terms and conditions set out in this Agreement. The invoice that Licensee receives following the purchase will specify how many licenses to the Sound Libraries the Licensee has been granted. For the avoidance of doubt, unless otherwise provided by Licensor, each license is intended to be a single seat license for use on one (1) Licensee workstation.

## 2. Rights Granted

The license(s) granted in this Agreement allows the Licensee to:

a. install and use the Sound Libraries on as many of the Licensee's workstations as the number of licenses to the Sound Libraries that the Licensee has purchased, although the Licensee is permitted to make and keep backup copies of the Sound Libraries on other storage devices; and

b. distribute and publicly perform reproductions of the Sounds, where these are incorporated in and synchronized with other media productions, which shall mean products that contains at least one additional media element to the Sounds (music, voice, image, etc.), including but not limited to radio and television broadcasts, film, music compositions, websites, podcasts, mobile apps, advertising, multi-media presentations, video games and similar.

c. Commercial and Non-Commercial Use The license(s) granted herein include the right to use the Sounds in both non-commercial and commercial productions. This includes projects intended for sale, subscription, or supported by advertising revenue, provided the Sounds are synchronized with other media as defined in Clause 2.b. No additional fees or royalties are due to the Licensor for the commercial success of the Licensee's production.

## 3. Restrictions

The Licensee is not permitted to distribute or perform reproductions of the Sounds where these are not incorporated in and synchronized with other media productions, including but not limited to in toys, product design, greeting cards, ringtones, applications such as soundboards, hardware devices, media authoring tools, competing sound library products etc.

To the furthest extent permitted by law, the Licensee is prohibited from adapting, modifying or repackaging any Sounds, except as permitted in Clause 2.b.

Furthermore, for the sake of clarity, the audio files licensed under this agreement, or any new audio content derived from or based on the audio files, may not be used in whole or in part in:

1. Any library (e.g. sample instrument, sound effects library, production music as single accessible stems, etc.),
2. Usage as pre-installed sounds in any physical / hardware device or toy, greeting card, kiosk, online or offline
3. Usage, in whole or in part, for the purpose of training, improving, or developing any Neural Networks (NN), Artificial Intelligence (AI) or Machine Learning (ML) models or algorithms, whether for commercial or non-commercial use.
4. The Licensee is prohibited from using the Sounds in any product where the Sounds are the primary value or are presented in a "standalone" fashion. This includes, but is not limited to:

- Ambient/Relaxation Videos: "Rain for Sleeping" or "Nature Soundscape" videos on platforms like YouTube where there is no significant narration or musical overlay.
- Sample Packs: Using jdr3productions sounds to create "new" sound effect libraries.
- Physical Goods: Pre-installing sounds onto hardware, toys, or electronic greeting cards without a separate Custom License.

If you have any doubts or if you're looking to include our Sound Libraries in ways that are mentioned in the Restrictions, please get in touch with us. We're here to discuss the possibility of obtaining a custom license or providing further clarification.

#### 4. Intellectual property rights

All rights to the Sound Libraries and the Sounds herein are owned by the Licensor and other than the license rights granted in this Agreement all rights in the Sounds and

Sound Effect Libraries remain the property of the Licensor. The Licensee must not claim ownership or authorship of the Sounds or the Sound Libraries.

#### 5. Termination

The Licensee's right to use the Sound Libraries will automatically terminate in the event of any breach by the Licensee of the terms of this Agreement. In the event of termination, the Licensee shall delete or destroy all copies of the Sound Libraries which the Licensee has produced.

#### 6. Indemnity

The Licensee shall indemnify Licensor from, and against any and all claims, demands, suits, awards, damages, suits, injuries, liabilities and all reasonable expenses, including attorney's fees incurred by the Licensor with respect to any matter that arises as a result of the Licensee's breach of this Agreement.

#### 7. Liability

Licensor shall not be liable for any damages or for any loss of business or business profits, business interruption, or any other direct or indirect loss resulting directly or indirectly from the use of any of Licensor's Sounds.

#### 8. Assignment

To the furthest extension permitted by law, the Licensee must not assign, license, sublicense, sell or otherwise assign the Sounds to any third party, except as set out in Clause 2.b.

#### 9. Applicable Law

This Agreement shall be governed by and construed in accordance with the laws of the State of New York, United States, without regard to its conflict of laws principles. The Licensee agrees that any legal action or proceeding arising out of or relating to this Agreement shall be brought exclusively in the state or federal courts located in Essex County, New Jersey. The United Nations Convention on Contracts for the International Sale of Goods is specifically disclaimed and shall not apply to this Agreement.
